This is a fantastic example of a Nissan Note which comes complete with a Full Service History with 7 Stamps, also benefitting from the fact that it's been through our workshop and received a Full Service plus an acar2go Multi-Point Check. The 1.6 Automatic engine offers an extremely smooth drive, with gear changes barely even felt. The higher ride position makes it easier to get in and out of plus visibility is much better than the standard smaller hatchback. Nissan have a great reputation for making reliable cars which is what most people look for, this one is just that and it also benefits from the fact that it has been extremely well looked after.
