Kettler is a name that has long been associated with quality and performance cycling products. this is no exception when it comes to the Flipper. Easy to mount with all the features one would expect to find on a German engineered child seat. Constructed from high impact injection molded resin the Flipper keeps you child safe and secure. The Flipper has a easy to use reclining system which will provides comfort for any child. The adjustable head and foot rests insure a proper and the three point "double locking" harness will keep you little one safe and secure. The interior contoured padding is removable and washable. The flip-locking grab bar gives a place for hands to hold on to and an added layer of safety. Kettler has developed a unique mounting system for their child seats which allows the child seat to not only lock securely to the seat tube of the bike but also makes it easy to take the seat on and off the bike when not in use. The mounting system does not require a rear cargo rack for mounting, but does act as a slight suspension to lesson road bumps on you little passenger. Additional seat brackets can be purchased to switch the Flipper between bikes. Fits virtually all bicycle frames, 3 piece injection molded high impact resin body w/ spoke guard, 7 position adjustable foot rests with adjustable foot straps, Reclining back rest for a more comfortable position, KETTLER Natural Suspension System, 3 Position adjustable wrap around headrest, 3 Point adjustable safety harness with Double Lock Buckle, Locking safety lap bar, 100% Washable cotton padding, Two side panniers for storage, CASH ON COLLECTION ONLY PLEASE. £54.99
