2006 Sea Ray 240 Sundancer Cruiser Stock 43475 (12,900 GBP)

Location **Wales, Dyfed**
https://www.freeadsz.co.uk/x-276107-z

Searay's 240 Sundancer. The boat is fantastic for the family, it comfortably sleeps 4 . There is ample sleeping space for 2 in the cabin and further space for 2 in the aft cabin. The cabin includes a kitchen area with a sink, microwave, hob and a fridge. The boats audio system is awesome, fully functioning clarion stereo cd player which includes a jack point for AUX cables to plug in laptops and ipod's etc, the speakers are throughout the cabin and also on the deck. The bathroom has a separate toilet with sink and a shower head with a handy automatic pumped drain. The cabin also has air conditioning throughout. The cockpit has a full canopy which dissembles into a bimini top, this also splits in half it not wanting the whole top up. The whole canopy including the metal legs can be taken off and put away which can be easily done within a matter of minutes. The seating area is very sociable with removable carpets and foot well lighting.
The boat also includes the navman 5500i with local maps. The engine is a 5.0 mpi single petrol engine which is very economical, the sterndrive is a bravo 3 with dual props. The engine produces 260hp with manual trim tabs. The engine is also in immaculate condition and has just recently had a service which included all filters and carbs and fluid changes.The Engine has only done 170 hours !! Last year had two new batteries fitted .The boat has been anti fouled and the anodes have been changed at the end of every season regardless of the state or usage.

There is also an anchor department at the front of the boat, which does include the anchor. The boat comes with the original Searay case with all paperwork and booklets. All relevant paper for the import are included.
I also have LOADS of extra's . I am throwing in a 3 meter inflatable boat with outboard merc cruiser engine, life jackets for 4 adults, various covers, brand new [illegible] also [illegible] bimini tops and the [illegible] the boat as well.
The boat as a whole is in [illegible] condition
