This striking, 3 double bedroom, detached villa redefines what modern living in Scotland is all about; in terms of location, layout, style and detail. The owners have created warm and generous living accommodation that is adaptable to a multitude of uses, including family home, retirement oasis for those seeking self sufficiency, and as a B&B business (subject to council consent). Inside this stunning home, you will find exceptional space and light (over two levels). If you have ever leafed through a country living magazine, you will know that there are certain things that are a must to make your dream come true; Morimac House captures them all! This property boasts generous accommodation and a highly impressive location, yet, at the same time, is an enjoyable and functional place in which to live and to enjoy with family and friends. The property sits within a fantastic large plot with well maintained gardens, providing a safe and private environment, whilst offering unrestricted views of the surrounding countryside and seascapes over the Pentland Firth to Orkney beyond. This substantial family home is offered to the market in truly "walk-in" condition. Welcoming entrance vestibules to the front and side of the property allows access to the ground level. On this level you will find all the main living accommodation. The sitting room is immediately impressive for its light-filled space and stunning views. The large entertaining space, set-up as the dining room, has a multi-fuel stove and huge picture windows allowing you to wonder at the surrounding views. The fully-fitted dining-kitchen epitomizes county living with solid oak wall and base units and high quality integrated appliances. Also located on this level, are three double bedrooms two with integrated storage. A luxury four-piece family bathroom including a jacuzzi bath, is supplemented by a separate shower room, both positioned close to the sleeping accommodation. A further luxury on this level is a 2-3 person sauna. Accessed via the side vestibule is the internal passageway, plumbed for cloakroom facilities, leading to the integral store which in turn gives access to the upper level. On the upper level you will find a huge space which offers many possible uses, including office space, music room, cinema, teenagers retreat or possibly a games room - you choose!! Also from the store you have access to a workshop and generously proportioned double garage, all of which have external access, light and power. Additionally, the garage has a WHB and a hot and cold water supply. There are many practical features to the property, not least the parking for at least 3 vehicles in the gated driveway, remote control electric garage door, outside water supply to the side and rear, outside lighting, fully enclosed gardens and copious internal storage space. The property also boosts a 4Kw solar panel system, positioned to the rear (south-facing) roof space, this is available by separate negotiation or can be removed if preferred. Caithness hosts amazing educational credentials with high performing primary and secondary schools readily available. The health care provisions are of good quality and highly accessible. The two main towns of Wick and Thurso offers a plethora of local independent shops, and quality butchers, fishmongers and bakers, a truly
