New and still sealed. Jump between U.S. and British elite military forces battling terrorists across global hotspots, with a new Modern Warfare storyline and missions unique to the Nintendo DS version
Cutting-edge military weaponry and tactics in the world to take the fight to the terrorists, including assault and sniper rifles, flashbangs, battle tanks or call in an air strike
Fight on the ground in building-to-building tactical combat, control vehicles, man gunships or hack enemy computer terminals
Pit yourself and your squad against wave after wave of advancing enemy troops in all-new Survival Mode, replay any level in Quickplay Mode, or try to beat your best score in Arcade Mode
Battle it out with up to 6 players in either local wireless play or Nintendo Wi-Fi
