I'm selling my beloved Beige /Gold C4 Grand Picasso VTR+. We have owned it for 5 years without any problems.Semi Automatic - Clutch changed at 75k miles( ish ) at a Citroen main dealer.
Tyres all good/ok condition, new battery and brakes in the last couple of years.
We have serviced and maintained it throughout our ownership, previously serviced through Motability & Citroen main dealers.
It has most of the service history ( I didn't receive all of it from the previous owner )Next Service due in 10k miles, MOT until Feb 2017
Although a petrol it manages to get 33.5 MPG (see photo of the last 6,000 miles)
It has cruise control, electric windows all round, electric mirrors, aircon, cd player/stereo ( I've added an aux which is in the glovebox ) and two keys.
Very comfortable car, with plenty of space for kids, we (a family of 5) drove 3000 miles to Portugal and back in 6 days without any issues.
It has the usual scuffs and scratches for an 8 1/2 year old car.Alloys in good condition but the odd scuff. It's been washed at the local car wash so please don't expect a showroom condition car.
We are selling to buy a newer 5 seater C4 Picasso as i no longer need this large a car.
Down Points
Two buttons on the dashboard are worn to white ( I think the previous owner had long nails )Internal plastic trims are scuffed ( as you would expect for a car of this age )Small scratch on the bootOne of the 3rd row of seats doesn't work. It can be easily unbolted and replaced for £165.00 one below on ebay at the moment. I don't need 7 seats anymore so had no need to replace it.http://www.ebay.co.uk/itm/2009-CITROEN-C4-GRAND-PICASSO-VTR-NEARSIDE-THIRD-ROW-S[illegible]
