Hello!  I am a native Italian speaker and have been living in the UK for the last 10 years. I have been teaching italian both at language schools and privately for the last 8 years and am now offering private or group lessons for £20 an hour. I also have experience of teaching children. Depending on your level I also use a book which goes through all the grammar and I also mix this with some listening and conversation.  If you are interested give me a call on 07906684389 079066843...(click to reveal full phone number) and we can have a chat!
