Are you looking for a contemporary arrangement for your song/album or to make a promo video for You Tube? Maybe you want to record and sing the song you've always wanted to, but can't play an instrument. I was signed to [email protected] Records, won the John Lennon Song Writing Competition and can make something great happen quickly, helping to develop, play and record your most simple ideas at my Brighton studio, Songs Need Sounds. Phil. 07930 972185. www.philsaatchi.com;
