Much loved Toyota Celica 2004 1.8 VVTi

Got a company car 12 months ago and has been stored in my garage. Selling due to me converting the garage and needing the space.

I have serviced the car myself (including plugs etc) for the past 4 years and used fuel cleaner twice a year to keep the engine sounding smooth.

Car Mot (Due Sep 2015) and Tax has expired (Sailed through every Mot)

Lucky Buyer must pay deposit of £100 into paypal within 24 hours, The rest on collection of the vehicle via cash or bankers draft

Any questions please feel free to call 07772875623

Collection from the Wigan area

The car and engine is in amazing condition, You have to see in person!

(Car is up for sale with other agents so may cancel listing)
