Did you know? Every UK citizen who fulfills the following criteria is entitled to a free-of-charge Pension Review. 5 YEARS + AWAY FROM PLANNED RETIREMENT FROZEN PENSION (WORKPLACE OR PERSONAL) WORTH 10K+ OR PERSONAL PENSION WORTH 10K+ OR A COMBINATION OF BOTH WITH A VALUE OF 10K+ ***** NO CIVIL SERVICE, LOCAL AUTHORITY OR FINAL SALARY. ***** Why should you bother.....

Concerned about high annual fees?

You should be. You could lose a significant amount of your retirement income to fees alone. There are a LOT of them and these fees are depleting your pension fund year after year..

Worried about poor performance?

You're not alone. Over 100 BILLION of UK savers' money is sat in poorly performing funds.

The UK pension system is in crisis.

People rarely think about reviewing their pensions or are put off by the high costs of doing so. A review with an IFA can sometimes cost over £500. So, at Working Pensions we will provide you with a FREE review which starts to put YOU back in control. The process is simple, secure and may end up saving you a large chunk of what is likely to be your main source of income in your retirement. Please don't ignore your pension!

For an informal chat please call us on 07495642090 or on 01269 597826 (leave a message). You can also e-mail us on and we will respond as quickly as.
