"Tess Seymour Photography" Affordable, Experienced And Creative Female Wedding Photographer. As a wedding photographer I specialise in wedding and engagement celebrations and have experience in photographing many different cultural celebrations before and after a wedding has taken place. I offer the best possible photographs for both you and your partner to enjoy as I will take photographs to suit you and your partner's style and wedding. As well as offering formal family and friends shoots, natural shots throughout the day and a couple photoshoot if required. You can be assured that you will always receive the best quality images as I use the best equipment and editorial software available to me. My photographs are always of high quality and resolution and perfect for printing. For more information, a quote or for a face to face meeting about your wedding and wedding photos please do not hesitate to email or call me on the contact information provided. ;
