Very reluctantly I'm selling my Ribeye A600.
 Looked after with no expense spared, and I will be sad to see her go. Much loved by my family and is set up with family trips out in mind, but with a deep-V hull to be able to cope with most seas. Top speed is around 37-40knots on GPS dependent on load. Very reliable boat with a bomb-proof engine - has not let me down.
 In short, this is currently a turn-key package, ready to go to sea!
