BISHOP

Specialist Suppliers of Lifting Equipment since 1982. They are full members of the Lifting Equipment Engineers association (LEEAA) and have been proudly serving the business community for 33 years. During this time we have developed a reputation for providing nothing but the highest quality lifting and lifting gear hire equipment. They supply a complete range of lifting equipment for sale and have a large lifting gear hire fleet. They have extensive experience in supplying lifting gear all over the globe and can offer bespoke solutions to our customers's lifting requirements through our manufacture and design services. Distributors for all major suppliers including Columbus McKinnon, William Hacket, Caldwell, J.C. Renfroe & Sons, Stahl and Crosby.
