We challenge you! We challenge you to take on the GE Aviation Wales Welsh3peaks Challenge. On Saturday 17 June 2017, you and your team will tackle the highest peaks in north, mid and south Wales within 15 hours to raise vital funds for Tŷ Hafan, the hospice for children in Wales. The annual event has raised more than £1,500,000 over the last 18 years. Leanne Collis from Cardiff is mum to 12-year-old Olivia who suffers from cerebral palsy, visual impairment and physical delay and was referred to Tŷ Hafan when she was just six months old. Olivia can suffer seizures daily and requires round-the-clock care. She needs medication seven times a day, is fed through a tube and has regular physiotherapy. "We simply couldn't have coped without Tŷ Hafan. Their support has been phenomenal." "I would encourage as many people as possible to support this amazing charity as they are a lifeline for families like ours." By stepping up to the challenge and taking on the Welsh 3 Peaks, you are helping families like these make the most of the precious time they have left together as your valued sponsorship allows Tŷ Hafan to continue offering care and support across Wales. Join us with your team of four walkers and a designated driver and test your limits. Registration opens in November 2016. This is a sell-out event, so places are limited. Don't miss out – sign up your team today! Register online. [www.welsh3peaks.co.uk](http://www.welsh3peaks.co.uk)
