

Silk Travel Pillow (50 GBP)

Location **London, London**

This pillow looks and feels amazing. Made of memory foam and real silk. Silk is much better at keeping in moisture amd leaving your skin hydrated. Also, memory foam and silk are hypoallergenic.

Flying is stressful enough – treat yourself with a bit of luxury and elegance.

This pillow was a duplicate gift, so I never used it. It retails for £80, and I'm selling it for £50.

Have you ever woken and seen the creases of your pillow pressed into your face? It would be a shame to get to 50 and think "Rats! If only I'd flown with a silk!"
