Affordable Creativity and Design: No matter what you need one of our team of freelancers (with many years of experience between them) can get you what you need for a price you can afford. This is what we offer - Micro vlog creation: Quality short informative videos of 60 seconds to be used online and on social media. Vlog editing: Do you already create a vlog? Why not save time and let our professionals edit it for you? Professional male or female voice overs: For use on apps, videos and telephone / answer phone systems for a more professional sound. Stock photos for web sites: Need photos for your web site? Let us find the best photos to make your web site stand out. Plus we'll check to make sure that you have the correct permissions to use the photos so you never get a bill for copywrite violations. Packages of Inspirational Quotes for use in all social media: People love to share inspirational quotes, we can offer you packages of inspiration quotes, we can ensure you have enough quality quotes for a whole years worth of social media sharing. We can even brand the inspirational quotes images with your logo or website address. Facebook and Google Page Creation: Businesses really benefit from a social media prescience and being findable on Google – we can help you take your first step to digital success by creating you an Facebook and Google Business Page. Affordable Advertising Creation: We can help create the digital files needed to be used in all your online and offline advertising needs. If you need YouTube Thumbnails / online or offline banner designs / website ads designs / indoor then we can help you create that content. Can't see what you need, give us a call and let us know what you need. Call 07790281012 077902810...(click to reveal full phone number) or email click to contact to find out what we can do for you. We can tailor our packages to meet any.
