hey there, i'm looking for a private accommodation from 29. march til 05. april in edinburgh. i come from germany to stay for holiday and the wedding of my friend. all the booking sites are still too expensive and dorm rooms in hostels are not very cozy... i will be a quiet and tidy guest (female 34 years). i'm well educated with housekeeping experiences from my time in scotland...that's why i'm careful and cautious. for one week i could afford something about 200 pounds +/-;
