Hi I'm Moneeb, I'm a local property investor. I am buying properties in your area and are interested in your property.

I specialise in buying properties very quickly, between 7 and 28 days is my normal purchase period

I can buy cash so you don't get messed around by mortgage lenders slowing you down
 I pay all your estate agents, solicitors and closing fees

There are no viewings with lots of time wasters coming for a poke around your house

There is no advert placed outside your house, just a fast smooth, relaxed confidential sale

I offer a guaranteed purchase for your property which means that all you do is give me a call and I'll give you a price that I guarantee to buy your property at. If you decide to sell to me, you could have the money in your account within a few weeks.

Looking to sell your house fast? We can help!

- * Free valuation, free consultation
- * Any property in any condition
- * Repossession stopped

* Fast sale, maximum value

* 100% Confidential

* No Estate Agent

* No Power of Attorney

* No Money Wanted

We are looking for properties around the UK.

Call me on 07957 644827 07957 6448. (click to reveal full phone number) or leave me a text and I'll get back to you as soon as possible.
