South Manchester Angling Club's new season starts in April, so if you are looking for a club with some excellent fisheries in the Knutsford area of Cheshire then you should have a look at our website; www.southmanchesteranglingclub.co.uk. All our fisheries are in quiet rural locations that allow members to enjoy the surrounding whilst concentrating on what they love, Fishing. Many specimen fish of all types can be found in our waters all of which being in top condition. So if you are fed up with spending huge amounts on Commercials or with the poor state of you current clubs fisheries then you should check us out.;
