

Neon Night Run (07 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-498725-z>

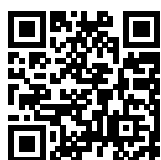

In partnership with Brunel University Volunteers, we're very excited to invite students and the public to our first ever Neon Night Run on Tuesday 7 March. Runners will complete a 5km course around the campus dressed in neon colours and decorated with glow-in-the-dark paint. The start gun will be fired at 7:30pm, before that, you can register from 6pm – 7pm and a warm up will commence at 7:15pm. After the run, participants are then welcome to end the night at the Neon Night Run social. Brunel Volunteers work closely with local charities and organisations to develop and facilitate volunteering opportunities for students. We're delighted that they have chosen to work with us this year and raise awareness of our hospitals among their student population and the local community. How your money will help. All proceeds from the Neon Night Run will be kindly donated by Brunel Volunteers to Royal Brompton and Harefield Hospitals Charity's Building for brighter futures appeal. This appeal aims to extend Harefield's Intensive Care Unit by six bedrooms, which will mean an additional 250 patients can be cared for on the unit each year. Start your fundraising. We're asking our runners to raise as much sponsorship as they can for our Charity. Your support and fundraising makes a huge difference and allows us to provide specialist and critical care to patients that need it the most. Although the suggested minimum sponsorship is £50 per person, if you can raise more then please do so. Your support and fundraising makes a huge difference and allows us to provide specialist and critical care to patients that need it the most. It's easy to raise money via an online sponsorship page through JustGiving or Virgin Money Giving or you can download a sponsorship form from our website. <https://rbhcharity.org/event/neon-night-run/> ;
