A lecture about spiritual healing and help through the teaching of Bruno Groening. "I have remained nothing more than a normal, natural person", are the words Bruno Groening wrote; a person who possessed the simple, intuitive knowledge of the laws governing divine spiritual healing. The audience can experience the divine power in their own bodies, that Bruno Groening referred to as the "Heilstrom". This noticeably felt Heilstrom, is responsible for divine spiritual healings and help, from even devastating illnesses termed medically incurable, as well as psychological and physical addictions. All interested people are invited. Admission is free, donations are accepted. ;
