

First Aid at Work, Level 3 Blended learning 190candidate, 7th of April, King039s Cross

Location **London, London**
<https://www.freeadsz.co.uk/x-510621-z>

LAKWERA SERVICES in King's Cross is offering FIRST AID AT WORK TRAINING Level 3 (QCF) - Blended learning a new way of completing the 3 DAYS COURSE where only one day attendance is necessary.

£190/candidate inclusive of a first aid book and a first aid pack, as well as your accredited certificate, which successful candidates will receive in 2 weeks approx.

You will start studying at your own pace, once you complete your theory you will come to our office for the physical assessment part, on Friday the 7th of April, between 9.30am-1.00pm.

*NEW - Blended learning now available where attendance is only mandatory on the last day of the 3 days course, you will be given log on details and will be required to complete the rest of the course subjects at home in maximum 6 weeks. **Access to a computer and broadband connection are required. This is ideal for any work environment with high risk of danger or high number of people.

Fully accredited and Health and Safety approved, inclusive of certificate. If you are a site manager, or a builder looking to get priority job on a building site, then, this course is for you. By law, a building site has to comply with Health and Safety Regulations therefore, the site being a high risk will have to have Managers accurately trained in First Aid. Refreshments will be offered. All candidates will receive a first aid book and a first aid pack. Call us on 020 3239 6977 020 3239 69...(click to reveal full phone number) to book, or for more information please follow the website link from the gumtree ad that will take you directly to our website. You can also book directly on the website via secure PayPal connection. You do not need a PayPal account, you can just click on the link that says Pay with a debit/credit card. Level 3 Award in First Aid at Work (FAW): This includes all the features of EFAW (Emergency First Aid at Work)

and also equips learners with the first aid knowledge and skills to tend a range of specific injuries and illnesses. This particular course is most ideal for working environments that are high risk, hazardous and a high number of employees. Start at your own pace, complete the met-theory part of the course and then attend the innovative sessions. Come and discover what we have to offer. Only qualified staff should be serving your customers, will this course make?

The First Aid at Work course qualification is typically achieved through a 3-day class-room or via distance blended learning based training course and for the qualification this is reduced to 2-days

How is the first Aid at Work course qualification assessed?
 The qualification is assessed via practical demonstration, oral questioning and a 21 questions written test.

What next?
 Certificates for successful learners will be dispatched for distribution due course (approx 2 weeks). This
