Everyone secretly loves the thrill that comes with something spooky! And what better place to experience a ghost tour than the old, historic city of London? A place with so many gruesome tales to tell. With this fantastic London getaway you'll stay for one nights, in a double or twin room at one of eight modern hotels in the city. You'll have everything you could possibly need, plus a hearty breakfast. There's even the option to upgrade your stay to one of eight fantastic 4* hotel options to relax in style. With great transport links and endless attractions, there's nothing to disappoint. There's four ghoulish tours to choose from, each offering something unique, insightful and great fun: The Haunted London Pub Tour takes you to the capitals most haunted pubs to hear about Sweeney Todd, phantoms, and Dr Johnson, including a chance to visit three notable and haunted pubs. Or you could choose the Royal Maritime Greenwich Ghost Tour, an after-dark stroll to the naval town's spookier side. The tour begins at Cutty Sark where you'll hear eerie stories of sailors, curses and the like, while walking through London's oldest park and secret passages and tunnels. Another choice is the London Bridge Ghost Tour, taking you to the past in various ghoulish locations including the world's oldest operating theatre. You'll be taken to other haunted haunts, such as England's oldest prison and a 17th century pub with a very interesting visitor. Or, finally, you might fancy

the eyebrow-raising Sex, Drugs and Sausage Rolls tour, walking you through tales of debauchery from the 1950s to the 1970s that are not possible to miss here! 3
