I have two lovely female Bengal x British Short Haired kittens for Rehoming. Both kittens have lovely temperaments and are very gentle. The mother and of the two kittens is a Bengal and the father of the kittens is a lovely British Short Haired. The kittens are very mischievous and full of character. They are very chubby and love to be cuddled. They are litter trained and come from a very clean household. The cost of each kitten is £160 and I am able the lower the price slightly if you are interested in both of them. The kittens are currently 8 weeks old and are ready to be.
