WHY CHOOSE US ? read our reviews on google10,000 happy customers10 years experiencecheap prices for any budgetfull uk coverageremoval company of the year awardAll size vehiclesfully insured we will try to beat any other removal quote but please think smart if your looking for a cheap service you may not get a quality service,cheapest is not always the best but we will try to beat any other removal quote This year we have achieved 80% recycling, we try to put as little as possible into land-fill, that is why we recycle as much as possible. We have achieved this target by donating books, Cd's, bric-a-brac, shoes, clothes and old furniture to local charities. Paper, card, wood and metal to recycling centers. Blankets, bedding and towels to animal shelters. Do you need to be present? If you cannot attend, we can pick keys up at a suitable place and we can work with your neighbour, solicitor or estate agent. Documentation supplied We will provide you with your own invoice which includes our business and tax details. If you wish, we can also provide you with a waste-transfer note and/or waste-disposal receipt. How soon can we clear the house? We can usually arrive at your door within one or two days of receiving the go-ahead. Getting a quote We just need to know a few simple details, such as the location and size of your property, rough idea of items to be cleared, and if you want anything very large or unusual to be removed, such as a piano or an motorbike.
