Hi there,

We are looking for is a 4/5/6 bedroom house in the SW, S, SE or E London. We are both working professionals relocating to London. We would like an empty property as we have our own furniture, appliances etc.... For longer contracts and the right property we will consider 6 mths in advance rental payment. Also, property should be "dog friendly".

We will also be willing to pay for any personal damages to the property if needed or minor maintenance during our rental period

If this is of any interest to you or you know someone who may be interested to rent their property to us, please send me your contact number and a good time to call.

Thanks for taking the time to read this.

I look forward to hearing from you.

Regards
