I have a brand new, never used eareef 1200s (white) for sale. I paid £899 for it, selling for £699 ovno. It comes with sump (as supplied) and all pipework. I also have a brand new rw4 wave maker (£50) automatic water changer with home made wheels for easy movement (£120), brand new fluval heater (£30), unopened salt (£65), boxed bags of live sand (£20), refractometer (£20) and evergrow it2080 over head lighting unit, Inc clips, with remote control (£130). Will sell all together for £1000 ovno. Buyer must collect. The tank itself is heavy but the cabinet weighs even more. It was bought for a marine setup but other commitments have put that on hold for the foreseeable future. Would rather it all went at once but will sell separately. Genuine interest only please. Thanks.
