1. **CV as a living document:** A CV is not a static snapshot; it's a living document that evolves with your career. Embrace the idea of a "living CV" that you can update as you gain new skills, experiences, and achievements.

As my background in many years within the Careers and Recruitment industry, I pride myself on creating well written, compelling, concise and impressive CV's. I genuinely want people to be happy with their CV's. Upon completion, you will be emailed the new CV in Microsoft Word. I can post you a hard copy too if you like.

Templates are not used. All CVs are hand written and hand crafted (bespoke). I will make you a

---

versatile and as marketable as possible to maximise your chances of getting Interviews.

Also, I can customise CVs to suit specific backgrounds, Job Applications or Industries. It doesn't matter which jobs you've done or how many you've had. Or, if you've been unemployed or you are a mum/dad that's been raising children. I can definitely help you.

Professional Covering letters are also available if you need one. Price Â£5 each. A covering letter is a personal introduction that accompanies your CV.

I've written a lot of CVs for people over the years and have received excellent feedback. This has led to a lot of recommendations and referrals which still come in regularly from all over the UK.

CV prices from £15. Covering letter £5.

Get in contact for more information. Don't waste any more of your time sending out the wrong CV. I am more than happy to.
