ADORABLE MALTICHON PUPPIES

These are absolutely delightful little dogs, low shedding, so suitable for most allergy sufferers, cute, loving, playful, good with children and other animals, they have an extremely sweet disposition and make lovely family pets and companions

Puppies will be vet checked and vaccinated at 8 weeks, they will require a second vaccination at 10 weeks to complete the course, they are treated for fleas at four and eight weeks, are microchipped and come with 4 weeks insurance, they can be seen with both their parents at our licensed kennels, open daily except Mondays

Puppies are paper trained and very well socialised and used to children
