

Foot Massager With Easy Toe-Touch Control

Location **North, Northumberland** https://www.freeadsz.co.uk/x-550758-z

Enjoy a soothing massage, and promote healthy blood flow with touch of a button. Soothing heat function provides relief and comfort, especially in the cold winter months. Give your aching feet the luxury they deserve. Best of all it's way below the cost of going to the spa and massage.
