## ECS CARD ASSESSMENT TRAINING & SUPPORT SERVICES.

Do you or your staff need an ECS card? Our centre provides ECS Health & Safety training for ECS cards. Our training is delivered in a classroom environment and is specifically designed to help you and/or your staff prepare and boost your confidence before taking the ECS Health and Safety online test. We also provide free ECS revision booklets and we point you to various online links for more revision and mock practices during our interactive training session. Revision guides from previous ECS HSE questions and answers will also be provided.

We are here to support you and your staff all the way in obtaining the ECS Card including assistance with booking the test.

The ECS card is instantly recognisable and will demonstrate you and/or your employees' credentials. It is important that the ECS card is held by everyone that works in the electro technical industries so get in touch today for more information.

Our training takes place every Saturday 10.00am - 4pm

LOCATION: Barking London.

Our 1-day course would cover:

General health and safety at work

COST ONLY £79.99 per delegate.
