I have various baby fancy mice for sale all fully weaned and full of character. Currently have Albino, cream coat, chocolate coat and grey coat, fawns, expecting two toned and patches to be ready in a couple of weeks. Male and female available, would prefer to go in pairs or trios unless you already have company for them.

I also have a mixed breed of labXfancy mouse, all albino. These are slightly bigger than fancy mice and are much friendlier than your average mouse. These are unique little guys and make great pets. I have more girls than boys but both are available (again would prefer to not leave alone).

£5 each or 2 for £8
