Online Level 1 Food Safety Course

Location **London, London**
https://www.freeadsz.co.uk/x-559806-z

The Level 1 Online Food Safety courses are accredited by the CPD Certification Service and approved by the Royal Society for the Prevention of Accidents (ROSPA). You can choose the course that meet your needs : manufacturing, catering or retail.

You will learn basic food safety and hygiene practices in your chosen setting and comply with the food handlers duties of making sure that food which is prepared, cooked, served or sold, is safe for human consumption.

Our online courses are video-based courses with up to date content, good animation and presentation. These characteristics allow you to learn and retain the knowledge easily and quickly. You can follow the course at your own pace in a 1 year term.

Price: £15.00

Duration: between 1 and 2 hours approx.

Assessment: Multiple choice question. All modules must have a 70% score to achieve a pass.
