We have a beautiful litter of miniature Cockapoo Puppies, these 10 puppies have been thoughtfully bred to make wonderful, none/very low shedding family dogs.

Their mum is a stunning, intelligent, kind and healthy working cocker spaniel, she is KC registered and is a wonderful dog to own, she is great with other dogs and children. Dad is a fully health tested Miniature Poodle, he is known for his easy going nature and wonderful thick coat, the puppies come with copies of both parents pedigrees, copies of health certificates (pups are guaranteed not to suffer from hereditary disease as tested). They will be correctly raised, socialised, bathed and groomed and will have received their first vaccination, vet health check and microchip. The puppies also come with introduction food and security blanket.

They are ready to leave around the 3rd week in December.
Come and visit this gorgeous family, you will not be.
