The kittens are currently 6 weeks old and their personalities are already beginning to shine through. All

my kittens are raised indoors were every priority is given to their health, comfort and well being. The kittens are loveable, playful and lots of fun. I have a very young boy with I believe a few weeks of age. During his time he has been affectionate, playful and very friendly to everyone. They are all initially in a protected room with only they will be exposed to the world. They will be taken to their new homes with a starter pack which is packed with all the necessary items. They will also be flea, wormed and vet checked and leave fully weaned and litter trained.

These are INDOOR CATS ONLY (may get lost or stolen when let outside as ragdolls generally have no surroundings orientation and are to friendly).

£50 NON-REFUNDABLE DEPOSITS are being taken now to seal your beautiful girl or not ragdoll kitten.

Call me for more info and arrange a visit thanks.
