My name is Maciej and I am a certified masseuse. I provide a full-body or partial massage treatment at customers house at most mutually convenient time and day for both myself and my customers. The treatments are adapted to the customers through a short consultation at the beginning of the first session. All necessary equipment is brought with me however, customers are free to use their own towels and/or dressing gowns if they wish so. I operate mainly in Salford but arrangements can be made if a customer is located further out.

For general information, pricing or to set up a meeting please feel free to contact.
