Welcome to Caribbean massage, I offer professional services in a relaxed and friendly environment. Would like you to feel comfortable throughout your entire experience with me.

My name is Melanie, Professional massage and beauty therapist with years of experience. Friendly young Caribbean lady with great smile to put you at ease. Love doing what I do and show in my work so why not treat yourself with my devine massage session. Can be soft and gentle or hard or firm, depending on what you choose. In a room with candle light and soft relaxing music playing in the background. I used only natural or Aromatherapy oils which has good benefits for the skin. Also cooperate hot stone massage in my session which is great for getting deep in the muscles and warm on the skin feeling like hot oils. Also provide warm fresh towels at the end or shower facilities available.
