Could your child benefit from:

- Increased confidence?
- New skills in maths and English?
- 11 Plus exam preparation for private or grammar school entry?
- Greater enthusiasm for learning?
- Being stretched and challenged in new areas of learning?

As an experienced tutor I teach Maths and English for children aged 5-16 years, and prepare children to take 11 Plus exams for private and grammar school entry. This includes verbal and non-verbal reasoning tuition, along with exam interview skills and coaching.

I encourage pupils to understand problems and feel confident in their approach to learning and applying their knowledge.

I also teach maths and English to pupils in year 7 to GCSE and provide intensive revision classes for GCSE preparation.

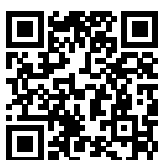

Ofsted registered, DBS (formerly CRB) checked. Tax credits welcome. Childcare vouchers accepted.

5.00-8.00pm Monday to Friday

9.00-6pm Saturdays

During term time

One-to-one tuition available on Wednesday evenings in.
