Location **London, London**

An opportunity for children ages 6 to 11 who have started or want to start learning to play the Cello to learn and consolidate their skills and knowledge on music theory, music history and to learn how to play together in a group.

A fabulous opportunity to enhance kids' intellectual and artistic development, while also learning to be self-disciplined and focused, and understand they play an active role in a cohesive group where each and every member's contribution is paramount.

The sessions will take place either on Saturday or Sunday morning (subject to demand) and last 50 minutes practice although embers need to be there 10 minutes before the start to settle down and tune.

If your child likes the Cello and you would like the to progress in music in a friendly and relaxed and fun music-oriented environment, enrol them to join 'Stellaria Junior Cello Ensemble'

Sets of 10 or 24 sessions required. Each participant needs to have their own instrument: either a 1/4, a 1/2 or a 3/4 cello depending on each kid's age and height.
