The K9 Dog Service offer dogs that have been fully trained in obedience and personal protection. We import the absolute finest dogs Europe has to offer, our dogs come from long lines of schutzhund champions, police dogs and other working shepherds.

At K9 Dog Service, we believe every man, woman and child has the right to be safe in their homes and communities. Our family protection dogs will defend that right for your family. Sadly, crime is an everyday occurrence and anyone can be a victim. That's why we offer personal protection dogs as an accessible and effective means of deterring any threat. In other words, your protection dog is with you when law enforcement, alarms and firearms are not.

Your dog is house-trained: no going to the bathroom in your home as dogs not accustomed to living in a house may do. Your dog is well behaved: no jumping, chewing, getting on furniture or rushing out the door. Dogs who have lived their life in a kennel will treat your home like a kennel. With dogs raised by K9 Dog service, you can expect an easy transition for your family: avoid the problem of trying to raise your own dog or "acclimatize" a kennel dog.

You'll get more enjoyment out of your protection dog than you have with pets in the past. All of our dogs have lived in a home, been super socialized, and come with the highest quality protection training,

guaranteed. Prices start from ~£3000 and depend on the training and the dog you are interested in. Please contact us by email or phone if you have any questions.
