

039Science with Art039 workshop Patterns and Fractals in Trees and Flowers 17th and 24th February

Location **London, London**
<https://www.freeadsz.co.uk/x-570004-z>

The 17th and 24th February 2018_ topics are Patterns and Fractals in Trees and Flowers (17th February) and Trees and Flowers (24th February).

The workshop on the 17th will link directly with our core topic ('Fractals Everywhere'), full of mathematics-based and artistic interdisciplinary activities.

And the session on the 24th February will focus on the evolution and biological diversity of trees and flowers.

The activities and the whole sessions are adapted to the age cohort and adjusted to meet the skills and the interest of each of the young.
