

Short Annapurna base camp trek with jungle safari (990 GBP)

Location **North, South Wirral**
<https://www.freeadsz.co.uk/x-570189-z>

Standing tall at 8091m, Annapurna I is a breathtaking mountain and everyone's heartthrob. Acclaimed as one of the best journeys in the whole world, Annapurna base camp trekking is unique and super exciting. Combining Annapurna trek with jungle safari and hair raising whitewater rafting, Nature Lovers has created this wonderful tour which offers the unlimited activities and excitement. No wonder it's fully organized and adored by all types of travelers in the world. While Spring and Autumn are the best times to join this tour, one can even venture out in other seasons.
