

A black pug puppy is standing on a white sheet, looking down at a small, light-colored stuffed animal wearing a blue shirt. The puppy is positioned on the right side of the frame, facing left. The stuffed animal is lying on its back, and the puppy's front paws are resting on its chest. The background is a plain white sheet.

This lovely frenchie litter of three raised in our home (dining area). They spend their days in a loving family 7/24, with 2 little children around. Puppies are well socialized, self whelped. Their mom does a great job. Both the parents are part of our family.

We offer you a view and time to spend at ours both to see the parents of the puppies - as this way you could build a clear picture of both the parents and the future behaviours and appearance of puppies - and to allow us get to know you because puppies' future and forever homes matters to us.

About the parents.

They are both family dogs, in a very much loving and caring home. They are fantastic to our children (1.5years and a 3months old). Puffy and Kyra have different temperaments which both might be inherited to the puppies, I will describe them in detail on the view.

Daddy is brindle pied in colour with a massive body.

Mom is fawn in colour, a smaller sized frenchie. (champion bloodlines)

Many pictures and videos are available to see previous litter of them.

## Puppies

- Black, slightly brindle girl with one tiny white spot of hair on his neck, will be likely a massive size as daddy

- Blue sable boy, he is a tiny baby and will be a smaller size as mommy, he is the most active puppy, no way of a proper pic just yet :)

- Blue boy who is also a massive size as daddy, lovely blue eyes for now (RESERVED)

~~Please consider that the colours of the pups will still lighten in the next few weeks. More pics available of~~
