

Professional Wedding Photographer

Location **Scotland, Perthshire**
<https://www.freeadsz.co.uk/x-571775-z>

I am a Professional Wedding Photographer, Living and running my business in Perthshire, Scotland. I offer two different packages which cover half day through to pre-wedding shoot and full day. I am very particular in how I approach any photo shoot I do, and am meticulous in everything I do.

I always do the listening and capture the all important images you have in.
