NO MORE TIMEWASTERS

I am unfortunately having to sell my boy. He is 18 months old. He is fed on raw food and this needs to be maintained, he will not eat biscuits..

he is up to date on all his jabs and is chipped but I have no paperwork as it's all been lost in the move.

We have not long moved to another house and the garden is all open and he's jumping the fence as it's only small.. So for his own safety he needs to be 're homed.

He is absolutely fine with other dogs bit is dominant to my younger gsd. Hes great with people and kids. He does not like cats and he will chase them. He barks a bit to start with at other dogs and people but is a lovely dog.

He is flead and wormed. He needs to go to a loving home. He is a big boned straight back gsd
