HP Pavilion Entertainment PC

Intel Pentium dual core CPU 2.00 GHz

OS: Windows 10 pro Installed RAM 4.00 GB

32-bit operating system x 64 based processor.

It is in good cosmetic condition but the battery needs replacing, although it works fine on power. Approx.. cost of replacement ,£20.

I have waited in for several people when previously advertised, who have not bothered to turn up, so please no time wasters.
