 Multi skilled in building construction & design and artistic creation engineer , experience and references in London of three years and in working in the construction of 23 years, looking for private work with payment in price or per day. I'm interested in a professional collaboration with you .with whom we perform works of: house Extensions, Refurbishment , Loft conversions and in/ for bars, shops we were running interior / exterior design. In all the works we execute in the type: key in hand (sanitary and electrical installations included, put together furniture, IT installations and Home AV System ,audio video installations for parties . Areas of Leytonstone , Stratford , Wanstead , Walthamstow . In both cases, the payment is wanted at the end of the day. I only work under these conditions. When you wish, I do and the architectural drawings, decoration and the engineering details of the execution.
