

# Lake District Autumn Photography Workshop - 11th to 13th November

Location **North, Cumbria**  
<https://www.freeadsz.co.uk/x-579609-z>

An exciting 1 to 3 day residential photography workshop with Alan Ranger visiting some gorgeous spots around the Lake District. Includes early morning shoots and a variety of moody and dramatic scenes for you to practice, learn and hone your photographic skills.

The Lake District offers a rich variety of landscapes and the seasonal weather means it can be different every time you visit.

The weather creates unique windows to capture, reflections, mist, stormy skies and subtle and strong colours - often all in the space of 1-2 days and sometimes just hours. We will visit approximately 2-3 locations a day in a weekend subject to the wishes of the group, time, weather and other factors.

Prices from £145  
 Tuition only or all inclusive options available.  
 1, 2 or 3 day options too.

No prior knowledge of photography is required as each student will be taught individually, according to their level.

Recognise correct lighting, contrast and texture to shape and form each shot.

Learn the impact of using long exposure, shallow depth of field and other techniques.

Work with Alan to review your shots, accept new ideas and improve your photography.

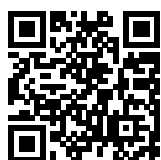

If you can't make this workshop, why not take a look at the website to see future workshops, field trips and courses later this year and into next. Be kept informed via the regular newsletter or on Facebook.
