

Moving Home 75 For Switching To Bulb Energy (0.01 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-580573-z>

Any new Bulb Energy customer using an existing customer's referral link to switch their electricity or gas or both to Bulb, means £50 credited to both Bulb accounts. I'm offering half my referral income to anyone using my link, so they'd get £50 from Bulb plus an extra £25 from me, therefore £75 all up. I hope maybe of interest to anyone moving home or just thinking of switching energy supplier:
