

They are very playful and very friendly. He gets along with other friendly none aggressive dogs. Unfortunately I can longer keep him and want him to go to a very loving home. Has his first 3 vaccines and dewormed. Does great with kids and other pets. Will come with all his accessories and a pink playpen if you would like to take it He is a medium size dogs so if you have another pet it is my recommendation that he be the same size or bigger because "Max" likes to play and run.. He is under 11 weeks old and he is fixed. Please only serious families or potential owners who understand the breed and are willing to dedicate the time and effort. I love my dog very much, but he needs a home where he can have a more active lifestyle. He is very lovable and will play all day! I am happy to provide pictures upon request. Again, I am doing this out of the love of my boy and finding him a home he deserves. If you are looking for a particular color let us know and we'll see if we have the purrfect dogs for you.
